

SHUBHAM NAYAK

Senior Software Engineer

📞 7987442336

@ itssnayak@gmail.com

📍 Pune (MH)

SUMMARY

Dynamic and results-oriented Senior Software Engineer with over 5 years of experience, specializing in React, Angular, and Java. Demonstrates expertise in guiding the full development lifecycle of complex software solutions. Skilled in agile methodologies, team management, and performance optimization, with a commitment to delivering high-quality and scalable software products on schedule.

EXPERIENCE

Senior Software Engineer

Integral Ad Science

📅 04/2023 - Present 📍 Pune

- Led the full lifecycle of software development projects, including initial conception, implementation, and deployment, ensuring timely delivery and quality standards.
- Managed and reviewed progress of epics, ensuring adherence to timelines and resolution of high-priority (P1 and P2) issues.
- Conducted code reviews and collaborated with team members to maintain high coding standards and integrate complex features and logic.

Software Engineer

Integral Ad Science

📅 10/2021 - 03/2023 📍 Pune

- Delivered key features through the entire development process, from staging to production, including deployment and testing.
- Addressed and resolved P2 and P3 incidents, improving system reliability and performance.

Senior Software Engineer

VIT Infotech

📅 04/2020 - 10/2021 📍 Pune

- Played a pivotal role in all development phases, from conceptual modeling to debugging and deployment, ensuring the delivery of robust software solutions.
- Led and directed team efforts in software analysis, development, and support, achieving project objectives and deadlines through effective resource planning and management.

Software Engineer

VIT Infotech

📅 07/2018 - 03/2020 📍 Pune

- Contributed to programming and development in a production environment, focusing on API development and UI application maintenance.
- Participated in Agile testing, creating and executing test scripts to ensure software quality and performance.

SKILLS

React	Angular	Core Java	Spring Boot	Cypress
Selenium	TestNG	Jmeter	JUnit	HTML
				CSS

EDUCATION

Pursuing MBA in PROJECT Management

D Y Patil University

📅 2023 - 2024

Bachelor of Engineering, Computer Science

Sagar Institute of Research, Technology and Science

📅 2014 - 2018

CGPA

7.6 / 10

PROJECTS

Custom Report Builder

React Migration

- Spearheaded the migration of Custom Report Builder to React, leading a team of 4 and ensuring successful deployment within project timelines.
- Implemented complex logic, conducted code reviews, and managed ticket creation and assignment to streamline development processes.

Dashboard

Data Visualization Tool

- Led the migration of a client dashboard to React and Looker, significantly reducing UI load times by 3 seconds and enhancing user experience.

Custom Report Builder

Reporting Tool Enhancement

- Upgraded the reporting tool from a legacy UI, incorporating a template feature for selecting metrics and creating REST APIs for report generation.

VIT Website

Front-End Development

- Led the front-end design and project management for the VIT website, ensuring successful deployment and task assignment within the team.
